INSPIRATION AWAITS!

DOMINIQUE MOLINA, CPA, MST, CTS

AN INDUSTRY EXPERT

DOMINIQUE MOLINA is the co-founder and President of the **American Institute of Certified Tax Planners (AICTP)**. She is also the founder of **Think Outside The Tax Box**, a bi-weekly e-newsletter on tax planning and tax saving strategies for tax pros and business owners, and CEO of **MidasIQ**, online tax reduction education for the general public.

As the driving force and visionary behind the San Diego-based education non-profit **American Institute of Certified Tax Planners (AICTP)**, Dominique set out to change the way tax professionals approach tax planning. *Realizing that many tax professionals were missing government tax breaks and loopholes that could save their clients millions, she began teaching and writing to educate both individuals and tax professionals.*

Co-founding AICTP in 2009, Dominique began to create an elite network of tax professionals including CPAs, EAs and tax attorneys who are trained to help their clients proactively plan and implement tax strategies that can rescue thousands to millions in wasted tax dollars. Dominique has successfully licensed over 1,000 tax professionals as Certified Tax Planners across the country, creating a national network of highly qualified advisors.

Prior to AICTP, Dominique successfully managed her own practice, a San Diego-based, full-service tax, accounting, and business consulting firm, serving hundreds of business owners and investors across the country for seven years. Preceding this, Dominique assisted a variety of clients for the largest independently owned CPA firm in San Diego.

A POWERFUL PRESENTER

Dominique is an accomplished keynote speaker, teacher, best-selling author, and mentor to tax professionals across the United States. Dominique routinely speaks for **Surgent CPE** and the **AICPA Women's Leadership Summit**, among other leading professional groups.

Dominique is the coauthor of six best-selling books, including **Tax Breaks of the Rich and Famous**, **DeTaxify Your Life** and **Get Paid What You're Worth**. Dominique frequently appears as a tax expert and TV guest in regional television markets, including San Diego, Los Angeles, New Orleans, and Honolulu. Dominique frequently appears in print, television, and radio programs, including CNN Money, and was named one of the 40 Most Influential Accountants by CPA Practice Advisor Magazine and a recipient of the 2014 Financial Services Champion Award from the SBA.

Expertise and experience aside, Dominique is best known and loved for her passionate advocacy for all her colleagues in the fields of accounting and tax planning.

Ms. Molina has a bachelor's degree in Accounting from San Diego State University, is a licensed CPA, has a Masters of Law - LLM, Tax Law, from Thomas Jefferson School of Law, and is a Certified Tax Strategist.
